# IRCAD. INNOVATION AND EXCELLENCE.

The IRCAD Institute boasts an 8,000 square meter building located within the compounds of the University Hospital.

The IRCAD has two auditoriums with a capacity of more than 110 seats. It also has several conference rooms equipped with the latest audiovisual technologies and HD video conference system.

Since January 2014, les Haras buildings, which are on a historical register, are welcoming you for your meetings and seminars, in a magical atmosphere, 50 meters away from IRCAD.

In this document, you will find a detailed description of each room, along with their corresponding equipment and audiovisual devices.
